The book cover for 'Survivor: A Guide to Surviving the Apocalypse' by G J Stevens features a dramatic, post-apocalyptic cityscape. In the foreground, a 'ROAD CLOSED' sign stands on a pile of rubble. A lone figure stands on a paved area, looking towards a city where skyscrapers are partially destroyed and smoke hangs in the air. The title 'SURVIVOR' is written in large, orange, distressed letters at the top, with the subtitle 'A GUIDE TO SURVIVING THE APOCALYPSE' in smaller white letters below it. The author's name 'G J STEVENS' is prominently displayed in the center.
